

I CAN BE

Integrating Career Academies
by Networking
Business & Education

The HCC Foundation believes that a strong business community begins with an educated workforce. That is why the **I CAN BE (Integrating Career Academies by Networking Business & Education) program** was created in 2008... to assist students with career path choices during their remaining high school years. Each year we partner with Henderson high schools with approximately 700 students participating per school. This program is part of the school's ninth grade curriculum and serves as a learning experience that will assist students toward their long-term professional goals.

There are 3-4 Chamber Members (from different businesses) in each booth to discuss aspects of their chosen career and to mentor students during the event. Students will have a script they use to start a dialog and are required to visit at least 3 booths of interest to them. This is a great opportunity for students to speak with professionals about the benefits, challenges, and opportunities in their chosen career field.

We are looking for volunteers to represent each of the 16 occupational career clusters. Understanding that most of us have careers that fall into multiple categories, we ask that you select up to 3 that you could represent. This will allow us flexibility when assigning volunteers.

If you are interested in **BECOMING A SPONSOR**, or if you have any questions, please contact **Hannah Brook at HBrook@HendersonChamber.com**. The cost is \$2,000 for the annual series and the benefits include recognition in the HCC newsletter, on the HCC website, in press releases and on the event banners.

If you are interested in **PARTICIPATING AS A VOLUNTEER**, please **fill out this form** and email to **Hannah Brook at HBrook@HendersonChamber.com**.

I would like to volunteer for I CAN BE!

My Name: _____ Company Name: _____

Job Title: _____ Cell Phone: _____ Email: _____

Please mark the dates and note the hours you are available to volunteer:

Foothill High School: Thur., 03/07, 7:30am – 1:15pm

Available All Day **or** Hours available: _____

Green Valley High School: Fri., 3/29, 7:30am – 1:15pm

Available All Day **or** Hours available: _____
