Henderson IMPAC hosts “Meet the Candidates” event to introduce endorsed candidates to business community

On Wednesday, May 4, Henderson’s business professionals took the opportunity to personally meet and talk with recently endorsed candidates at Larsen’s Grill at Galleria at Sunset.

This special event allowed Henderson's business community to continue expanding its political footprint within Nevada as it champions for a pro-business climate.

IMPAC, a nonpartisan group that supports candidates with a pro-business agenda, will make its second set of endorsements this summer.
