## **IMPAC prepares for City of Henderson municipal elections**

As Mayor Andy Hafen prepares to depart his office due to term limits, Henderson's Issues Mobilization Political Action Committee (IMPAC) readies for a new City of Henderson (city) mayor and an election for a Ward III council person.

Now that the candidate filing deadline passed last week, IMPAC anticipates it will make endorsements in these races the week of February 20, which is in advance of the early voting period for the primary election.

Candidates filed include:

**MAYOR:** Anthony Csuzi, Angelo Gomez, Eddie Hamilton, Crystal Hendrickson, Debra March, Jerry Sakura and Rick Workman

**CITY COUNCIL WARD III:** Carrie Cox, Matthew DeFalco and John Marz.

Members are encouraged to participate in the electoral process at all levels, including municipal elections, as decisions made at a city level impact business.
