

Quality Corrections & Inspections leadership speaks at Footwear Distributors and Retailers Association (FDRA) 2019 Sourcing & Sustainability Summit

July 29, 2019 - Randy Burk, Executive Vice President for Quality Corrections & Inspections, spoke at FDRA's 2019 Sourcing & Sustainability Summit this past week.

The event, presented by the Footwear Distributors and Retailers Association (FDRA), covered that latest trends in global footwear production and supply chain issues, and innovation insights, from industry leaders and experts. The event was held at the New York Stock Exchange.

Randy's presentation shared insights on his company's role in supporting product sourcing managers, supply chain leaders and footwear executives around the globe in the areas of post-production reworks and returns processing.

Quality Corrections & Inspections has been in business since 1986. In 2003, the company established a west coast presence with operations in Henderson, Nevada
