THE GIVING STORE ANNOUNCES GRAND OPENING OF DESIGNER BOUTIQUE

The Giving Store has been the premiere thrift store in Henderson since its establishment in August 2011 offering women's, men's and children's clothing and shoes, housewares, furniture, jewelry, home décor and many other treasures. In January of this year, and under new volunteer management, The Giving Store began re-branding and re-merchandising the store to a thrift boutique and now announces the official grand opening of their shop-in-shop, Designer Boutique.

Under the guidance of Chairman, Dian Hodge, Executive Director, Carol Cirbes, and Director of Merchandising, Karen "Ping" Pingitore, a section of name brand designer clothing and accessories have been showcased in this special Boutique. "We receive many wonderful items from our donors, many new with their original tags, the best use was to create this special boutique", said Dian Hodge.

Proceeds from The Giving Store help fund S.A.F.E. House, a facility for victims of domestic violence. Since January of this year, The Giving Store has donated over \$36,000 to the facility as well as more than \$10,000 of In-kind donations that The Giving Store donated directly to families impacted by domestic violence- whether they are leaving the Shelter and setting up a safe home or moving from an abusive environment into a safe space.

The Giving Store along with the Henderson Chamber of Commerce will officially open the Designer Boutique with a ribbon cutting ceremony on Wednesday, July 10 at 9am.
